Warranty: 1 year

Core components: PLC

Type: Powder Coating Booth

Power(w): 2.2KW

Place of origin: China, China

Weight (kg): 350

Brand name: ShengTai

Dimension(l*w*h): 4500x1500x2000mm

Power Supply: Electric

Key selling points: Easy To Operate

Please provide detailed information so that we can provide you with a more accurate solution:

1. What are the Maximum and Minimum dimensions of your workpieces (L × W × H)?
2. What is the maximum weight of each workpiece? If available, please also provide product photos.
3. How many workpieces do you plan to coat per day (based on 8 or 16 working hours) or per month?
4. Which heating source do you prefer, such as electric power, diesel, fuel oil, or natural gas?
5. What are the dimensions of your workshop (L × W × H)? If possible,

Ji'nan ShengTai Painting Equipment Co.,Ltd.
Address: East of the intersection of Dongwaihuan Road and Wenhua Road in Wenden Village,
Diaozen Street, Zhangqiu District, Jinan City, Shandong Province
Email: sales@stpowdercoating.com WhatsApp:+8615854139190

could you share a layout or drawing of the facility?

6. Prior to coating, do you require spray pre-treatment to prepare and clean the product surface?
7. What voltage and frequency standards are used in your country?

Please also share your WhatsApp or another instant messaging contact so we can communicate more efficiently.
